## Introduction

Claverham Community College manages malpractice, in accordance with the JCQ General Regulations for Approved Centres (section 5.11). Under normal delivery arrangements we take all reasonable steps to prevent the occurrence of any malpractice (which includes maladministration) before, during and after examinations and report and investigate according to the requirements.

Our general centre policies regarding malpractice, maladministration and conflicts of interest have been reviewed to ensure they address the specific challenges of delivery in Summer 2021.

## Purpose of the policy

This policy addresses malpractice under the specific arrangements for delivery in Summer 2021.

All staff involved have been made aware of this policy.

## General principles

In accordance with the regulations Claverham Community College will:

- take all reasonable steps to prevent the occurrence of any malpractice (which includes maladministration) before, during and after the determination of grades process
- inform the awarding body immediately of any alleged, suspected or actual incidents of malpractice or maladministration, involving a candidate or a member of staff, by completing the appropriate documentation, including:
  - the [JCQ M1 form](#) in a case of suspected candidate malpractice
  - the [JCQ M2 form](#) in a case of suspected malpractice/maladministration involving a member of centre staff
- as required by an awarding body, investigate any instances of alleged or suspected malpractice (which includes maladministration) in accordance with the JCQ publication [JCQ Suspected Malpractice: Policies and Procedures 2020-2021](#) and provide such information and advice as the awarding body may reasonably require

*Where reference is made to candidates, this includes any private candidates accepted by the centre*

## Reporting malpractice

**Candidates** (or an individual acting on their behalf)

In accordance with [JCQ Guidance on the determination of grades for GCSEs for Summer 2021](#) each candidate will be made aware of the evidence that is going to be used and understand that the range of evidence used to determine a grade is not negotiable.

Where a candidate might attempt to gain an unfair advantage during the centre's process on the determination of grades by, for example, submitting fabricated evidence or plagiarised work, or any other act deemed as malpractice in the [JCQ Suspected Malpractice: Policies and Procedures 2020-2021](#), Claverham Community College will submit a report of suspected candidate malpractice to the relevant awarding body.

Where a candidate, or an individual acting on their behalf such as a parent/carer, might try to influence grade decisions by applying pressure to the centre or any of its staff, Claverham Community College will keep and retain clear and reliable records of the circumstances and the steps taken, and make the candidate aware of the outcome. This will include a record that confirms the candidate had been made aware of the evidence that was going to be used and understand that the range of evidence used to determine a grade was not negotiable.

However, if a candidate or an individual acting on their behalf continues to inappropriately attempt to pressure centre staff, a report of suspected candidate malpractice will be submitted to the relevant awarding body.

A report will be submitted by completing the appropriate documentation as guided by the individual awarding body concerned, including the form [JCQ M1 Report of suspected candidate malpractice](#).

- This form must be used by the head of the centre to notify the appropriate awarding body of an instance of suspected candidate malpractice in the conduct of examinations or assessments
- It can also be used to provide a report on investigations into instances of suspected malpractice
- In order to prevent the issue of erroneous results and certificates, it is essential that the awarding body concerned is notified immediately of instances of suspected candidate malpractice

### **Centre staff**

All centre staff will follow the College's JCQ Centre policy and guidance for determining teacher assessed grades (Summer 2021), all appropriate training will be delivered to teaching staff within the centre as per the "Policy for determining teacher assessed grades".

Claverham Community College will report any instances of potential malpractice (which includes maladministration) where any centre staff fail to follow the published requirements for determining grades.
