<p>Official Student Photographs</p> <p>Student photographs are taken by Tempest Photography each year. The images are used by the school for our records and administrative systems and the safe and effective management of your child. They are also shared with our canteen provider Chartwells for identification.</p> <p>Tempest store the images on their own internal servers so that parents can request copies at a later date. The images are stored under a unique number and no names are used. If you do not wish for Tempest to retain this information please contact them directly and they will remove the images from their servers. Once it is removed it cannot be reinstated.</p> <p>Please return a signed copy of this form to the school office before 7th September 2018 in order to have an official school photograph taken.</p> <p>Please note that if you do not wish to give consent for an official school photograph then we will still take a photo of your child on a school device for our administrative systems only. This is for identification and safeguarding.</p>	
<p>Unofficial school photographs and video recordings</p> <p>Photographs and video recordings may be taken of your child taking part in various school activities. These may be used in our school newsletters, prospectus, on social media or display boards around the school. They may also be used to support learning or teacher training. They are only taken on a school device and the image/video saved on our school servers.</p>	
<p>Parent Communication - Activities taking place on the school site</p> <p>We would like to keep you updated via email with any events or activities taking place on the school site. This may relate to our Sports Centre or Nursery.</p>
