Dear Parents and Carers,

Year 7 Assessment and Parents' Evening

Your son/daughter's latest assessment report was published on EdulinkOne recently. In order to access this assessment, please login to the EdulinkOne app or website (<https://www.edulinkone.com>) and click on the documents icon.

It would be extremely valuable if you could spend some time going through the grades with your son/daughter and discuss their current performance in each subject area.

Today, pupils have been provided with an appointment booking form for Year 7 Parents' Evening, which takes place on Thursday 28th February, (17:00 – 20:00). The Year 7 Parents' Evening will give you the opportunity to have short informal discussions with your son/daughter's teachers, which will give you a clear picture of how they have settled at Claverham and the progress they have made so far this year. The first year at secondary school is an important time in your son/daughter's education. I would urge you to do all you can to support your son/daughter by attending this evening.

Should you have any general concerns about your son or daughter's progress please ensure that you book an appointment with their House Tutor or Head of House.

I look forward to seeing you on this important evening. Please ensure that you use the list of names on the tables by the main entrance to register your attendance.

Yours faithfully
