Dear Parents/Carers/Guardians,

YEAR 9 CAREERS FAIR EVENT 2019

Due to the success of our previous careers information events, we will be holding this event again this academic year on **Wednesday 23rd January 2019 from 11:15 to 1:40 at Claverham Community College.**

During the event we will host numerous representatives from educational establishments, training providers, employers and professions/careers: The Emergency Services, Financial services, Law, Engineering, Graphics, ICT, Hospitality, Healthcare/NHS, Sport & Leisure, Childcare, Website Design, STEM Ambassadors and Veterinary Science/Nursing. This list of providers has not yet been finalised, and we will endeavour to find representatives from other industries where there is demand. Unfortunately, we cannot guarantee representation from any particular area due to their availability or changes to their commitments leading up to the event.

Your son/daughter was given a Careers Fair Event booklet in registration today and will be asked for their choice of professions which they are interested in and would like to find out more about at the event. To ensure that every pupil gets an opportunity to speak to a provider we will offer your child 3 appointments with the professions of their choice, subject to availability. Your child will also have an opportunity to speak with any of the professionals and colleges during a drop in session from 12:55 to 1:40.

As in previous years we would like to invite parents/carers to attend the Careers Fair Event too. ***If you would like to attend with your child or can offer your time representing your profession, please complete the reply slip below and return no later than Friday 30th November 2018.***

I hope that this can be an even more successful event than in previous years and more importantly offer useful careers advice to any pupil that wish to take part.

Yours sincerely

Mr D H Page
Head of Careers
