Dear Parents/Carers,

I am writing to invite you to an English Information Evening regarding the recent changes to the study of English GCSEs in Years 10 and 11.

As you may be aware, the GCSEs in English have become considerably more rigorous since the GCSE reform of 2017. In order to support your son/daughter more fully in their studies, we would like to give you the opportunity to join us on the 10th October 2018 at 6pm (we anticipate the event will last approximately 1 hour).

During the evening, both English Language and Literature GCSEs will be explained in detail for you, to give you a greater understanding of what is required across the two years. You will also have an opportunity to ask questions of the English teachers in attendance, and have a look at the texts and revision guides that would be useful across the course. We will also provide study packs which students will be encouraged to complete during the October half-term.

I look forward to seeing you.

Yours sincerely,

Mrs L Griss
Head of English
