Dear Parent / Carer,

Building an alumni community to inspire our students

We are delighted to inform you that Claverham Community College is working with the education charity Future First to build a thriving alumni community. Amongst our former students is a whole host of talented role models who we want to connect with in order to celebrate their success and inspire our current students. Alumni can be brought back to offer careers and education advice, mentor students, and provide work experience placements and much more besides.

We need you

Please help us reach out to our former students using your own networks. From doctors to dancers, pilots to plumbers, we need alumni from a range of careers to open our students' eyes to what's possible.

If you are a former student or know of any who'd like to stay in touch and give back to their old school, please ask them to sign up at:

<https://networks.futurefirst.org.uk/signup/claverham>

If you have any questions please do not hesitate to contact myself or Mrs Masters at the school.

Yours sincerely
