Dear Parents,

Your child is following the 2 year OCR GCSE Computing (9-1) syllabus. I would like to offer your child the opportunity to purchase a Computing revision guide. This resource is particularly useful at home; offering additional resources to support the work completed in school, aid homework and prepares them for their GCSE exams.

We are able to purchase the revision guide at a rate of £5.00 from Education Umbrella.

In addition to the revision guides, exam practice workbooks are also available should you want to purchase them for your child. They can be found at:
www.educationumbrella.com

I shall be ordering copies of the revision guide on behalf of pupils. If you would like me to order a copy for your child, please make payment of £5.00 via ParentPay by **Monday 15th October 2018, 10.00 am.**

Kind regards

HWelsh
