## Year 11's 'Moving On' 16+ Event

Dear Parent/Guardian,

On **Wednesday 17<sup>th</sup> October 2018** we will be offering every Year 11 pupil the chance to take part in a special 'Moving On' 16+ Event aimed at helping them make important decisions regarding their progression into further education. The first part of the event will include short presentations from the main local colleges: Bexhill 6<sup>th</sup> Form College, East Sussex College Group (formerly Sussex Coast College and Sussex Downs College) and Heathfield Community College.

The second part of the event will be held during lunch time in the main hall with stands from a variety of local Sussex and Kent further and higher education establishments. All students will attend the presentations and then have access to the providers during the lunch break to ask individual questions and speak to some of the smaller and more specialised Colleges.

**We would also like to offer you the chance to drop into the lunch time event (12:55 – 1:40 pm) if you are able to do so.** Unfortunately, due to the event running through the school day, parking on site will not be possible and we would recommend not attempting to park on site. Upon your arrival, you will need to sign in in the reception (**please bring a photo ID with you**) and will be given a visitor sticker.

We would very much hope that your son/daughter finds the event useful and that it helps resolve any questions they may have about their future. Each college have their own open evening and I would recommend contacting each provider directly to get up to date timings for these.

Yours sincerely

D. H. Page  
Head of Careers Education

YEAR 11

'MOVING ON' EVENT

WEDNESDAY 17 OCTOBER

12:55 TO 13:40

A number of local Sussex and Kent further education providers will all be under one roof for this lunch time only.

There will be a chance to collect prospectuses, speak to the providers, and ask any questions you need answered before choosing what you are going to do next year.
