Dear Parent/Carer,

We hope you and your child enjoyed meeting the National Citizenship Scheme (NCS) team at the recent Parents' Evening. For those who did not have the opportunity to meet them I would like to share with you some information about this great programme:

NCS is the country's fastest growing activity based movement for young people, which is quickly becoming a rite of passage for all teenagers aged 15-17, helping them to discover who they are and what they can do.

There are four phases to the programme:

Phase 1-Adventure. Five days away on adrenaline fuelled activity break.

Phase 2-Discovery. An opportunity to learn and practise essential life skills such as writing a CV, doing a presentation or speaking in public

Phase 3-Social Action. In their teams, back at home, the participants devise and deliver a community plan based around something they feel passionate about.

Phase 4-Celebrate! An opportunity to celebrate their achievements with fellow NCS participants.

The whole programme is available for a £50 contribution which includes accommodation, food, transport and activities.

If your child would like to participate in the NCS programme in July/August 2019 they can sign up now by visiting:

<https://www.ncsyas.co.uk/sign-up-to-ncs>

Yours sincerely

A handwritten signature in black ink that reads "J. Pitman".

Mrs Pitman
