Principal: P. Swatton, B.Eng (Hons)

Date: September 2018
Ref: PAS/TLS/JS

Dear Parents,

SIMS PARENT APP

As you are no doubt aware the college has introduced a number of new apps and software platforms over the last 12 months. In general, feedback has been positive, however concerns raised have been that the use of multiple apps can cause confusion with differing passwords and functionality, and in particular that the SIMS Parent App is not very user friendly.

With this in mind, we have decided to terminate the use of the SIMS Parent App, and replace it with a more multipurpose app. We are currently in the process of trialling an app and, as we are sure you can appreciate, we want to make sure that it meets the needs of the college and parents before we begin to implement it. Once the trials are complete, it will be made available to parents in time for your child's first assessment.

Please be advised that if you are still able to log into the SIMS Parent App the functions available are minimal. We apologise for any inconvenience this may cause in the short term, and confirmation of the use of the new app shall be received in due course.

Yours sincerely,

A handwritten signature in black ink, appearing to be 'P. Swatton', written over a circular scribble.

Principal
