Dear Parents and Carers,

As I am sure you are aware, we have a long standing relationship with Scholastic Books and run a yearly Book Fair, from which a percentage of your purchases provides additional resources for our library.

We would like to make you aware that we have set up a Scholastic Book Club in order for parents and carers to be able to browse the latest selection of books and to order from the comfort of their homes. Delivery is free and will be delivered to the school. Books will then be given to your son or daughter to take home. Alternative arrangements can be made if required.

For every £1 spent, the school earns 25p in rewards that are then spent on purchasing up to date fiction and non-fiction books for our library.

Please go to <http://schools.scholastic.co.uk/claverham-community> to browse and to order.

Many thanks for your continued support.

Yours faithfully,

Mrs Georghiou/Mrs Masters  
Library Supervisors
