To Parents/Carers of Year 11 Pupils

Dear Parent/Carer,

We would like to remind you that Year 11 Parents' Evening will take place on Thursday 28th March 2019 from 5pm to 8pm.

This is the second parent consultation evening for Year 11 pupils and, whilst we encourage every parent/carers to attend these evenings wherever possible, we see this additional evening as an opportunity for parents and pupils to prioritise appointments in subject areas in which they feel additional guidance and support would be most beneficial. Subject staff have been asked to provide clear points for development as well as revision strategies which should be used between now and the terminal examinations.

Mock examination results will be issued to all Year 11 pupils on Thursday 14th March and will be sent electronically to you on that day. Pupils will be given their results in a manner which closely replicates the results process operated on GCSE collection day in August.

As you will no doubt understand, the marking and collation of examination results is time consuming and we hope that the very limited interval between the issue of the Mock Results and the timing of the Parents' Evening does not discourage parents from attending.

Teaching staff have been discussing academic progress with pupils throughout the year and, as such, pupils are well aware of which subjects are of greatest concern and in which areas they are making sound progress.

In order that the event runs efficiently, it would be very helpful if you could indicate your attendance by signing in on your arrival.

Yours faithfully,

A handwritten signature in black ink, appearing to be 'P Swatton', written in a cursive style.

Mr P Swatton
Principal
