Dear Parents,

Re: Year 10 English

The programme of study for year 10 pupils, in English, has been reviewed. Every pupil will now take separate GCSE exams in English Language and English Literature. The Literature syllabus remains the same and the two controlled assessments linked to this qualification will be completed during the next few weeks.

However, we have decided to follow the syllabus of the Cambridge Accredited IGCSE for English Language, so that the pupils can be supported in the completion of their coursework and less teaching time is lost through the demands of controlled assessment. In this way, we feel that the pupils will be better prepared for both their GCSE exams and further study in the following years.

If you have any questions regarding this change, please do not hesitate to contact me at the College.

Yours sincerely,

Mrs P Hardy
Head of English
